

From the West
 Join the M602 from the M62. At the end of the M602 go straight on to A57. At third junction turn left onto Water Street and follow signs to Deansgate via Liverpool Road (first right after going under bridge). At the lights, turn left onto Deansgate. At the second set of lights, turn right onto John Dalton Street. Turn left at the lights into Cross Street then after 200 yds turn right into King Street. Our office is immediately on the left.

From the North
 From M60 (J17) follow Manchester city centre signs along A56. Continue along Deansgate. Turn left onto John Dalton Street. Turn left at the lights into Cross Street then after 200 yds turn right at the lights into King Street. Our office is immediately on the left.

From the South
 Join the A5103 from the M56 (J3). Continue onto Princess Road. At the end of Princess Road go straight ahead at the roundabout onto Albion Street. Continue through lights onto Lower Mosley Street. Follow the road round to left at lights onto Mount Street. Continue onto Albert Square. At the lights, continue straight ahead on Cross Street. After approximately 200 yds turn right at the lights into King Street. Our office is immediately on the left.

From the East
 Take the A62 Oldham Road. At end follow it round to left onto Great Ancoats Street. Take second right (first is no entry) onto Newton Street. At second lights follow dogleg to right onto Portland Street. Take the second right onto Charlotte Street. Continue through Spring Gardens before turning to King Street. Our office is situated at the far end of King Street on the right hand side.

By Rail
 Oxford Road, Victoria, Piccadilly, Deansgate and Salford Central Stations are all less than a mile away.
