### Further Expansion for Private Client Team

Partner, Richard Bate and Solicitor, Elaine Russell have moved from our Liverpool Office to set up a new Private Client Department in Manchester.

The Manchester Office has recently expanded significantly by joining forces with one of the country's highest profile sports law teams (led by Maurice Waktins) from of James Chapman & Co. Further plans for expansion are on the horizon for the new department as the Manchester office generally is planned to double in size within the next five years.

In Liverpool, Louise Platt has joined the Department to concentrate on specialist charity law work including the establishment of charitable trusts.
