Bremmers
Solicitors

Welcome to this special newsletter which we are sending to you following the recent merger of Bremmers and Brabners Chaffe Street.

We now have a dedicated team of sixteen legal staff, who between them, have a wealth of experience of working with registered and other social landlords of every size and type throughout the North West and beyond.

The newly merged team is headed up by Partner Alistair Fletcher, who says, "Our philosophy is to work together with our clients, to understand their priorities, and help them to achieve these as quickly and effectively as possible."

These are challenging times for social landlords but there are also enormous opportunities for those who are ready to embrace them."

We'll keep you updated on news and views across the spectrum of legal issues relevant to Social Landlords with our regular e-newsletter. If you'd like any

information on the range of legal advice we offer or would like to find out more about our in-house training sessions please contact alistair.fletcher@brabnerscs.com.

If you have colleagues who would like to receive a regular copy of our e-newsletter please send their details to helen.calvert@brabnerscs.com.
